Steve commented the LHS Guidance Office told him no other class has maintained this type of fund for a graduating senior.

The guidelines to earn this scholarship award are:

2. The recipient must have demonstrated he or she deserves this award.

Scott Morehead, John Morehead's son will again take pictures of the reunion. A quote will be forthcoming and will be included in the mailing. Comments were received concerning having improved resolution of the picture from the last reunion...

The suggestion of splitting the class if need be, to improve the quality of the pictures. Also identifying each person (row by row) was suggested to allow easy identification.

Mike will be working with Scott to get a firm quotation for the charges for his services and this will be included with our mailings.

Classmate Contact Updates:

Jackie (Pryor) Shrider has been working diligently for the past several months along with Steve Campbell to update and compile our email and snail mail addresses for our classmates.

One hundred fifty-six snail mail did not come back; no responses.

One hundred ninety-three classmates had email addresses.
